There are two types of Users :

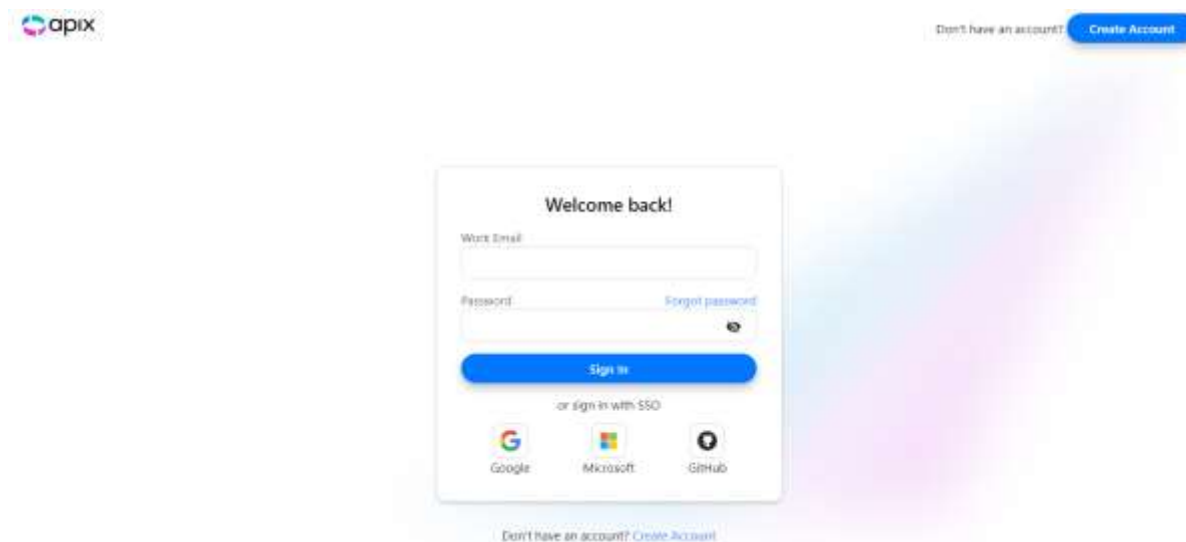

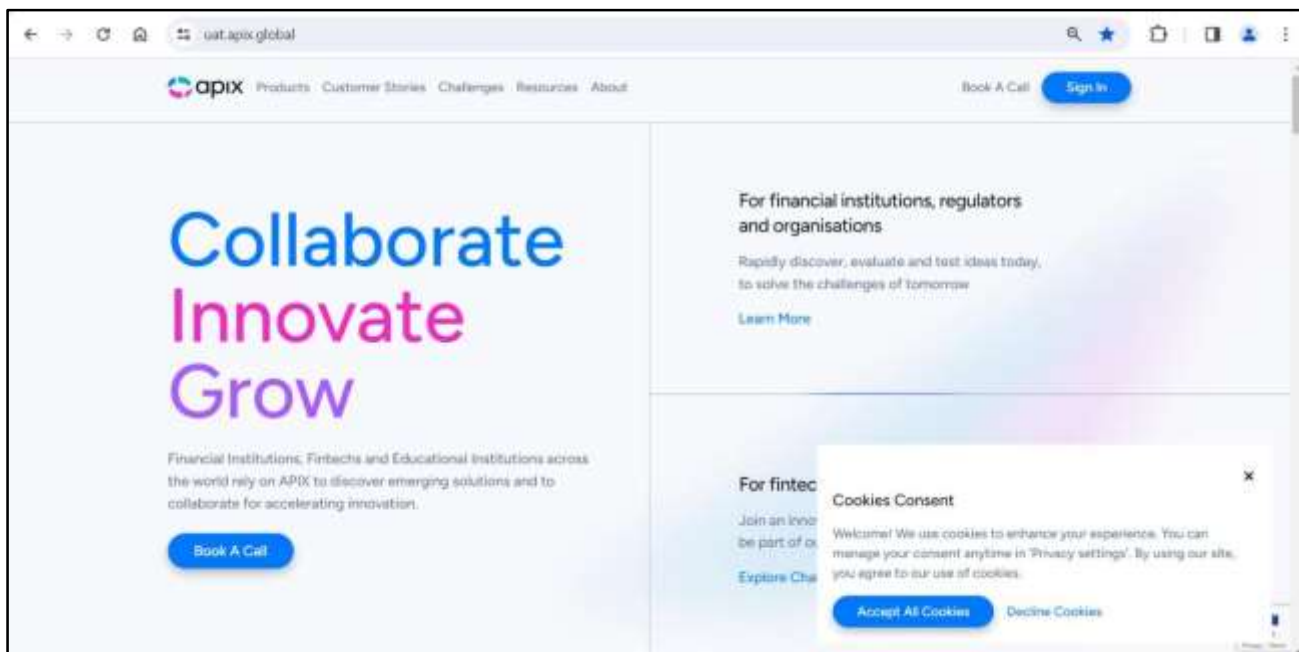

1. Already Registered Users on APIX
2. New Users on APIX

For New Users, please jump to Page 15 for details

For Already Registered Users, continue from Page 3

1.0 Login to APIX Application

1. Navigate to the application
2. Click on Sign In
3. Login to the application with your credentials

2.0 Accessing the hackathon

After logging in, you will be presented with the My Dashboard screen.

There are 2 ways to access a hackathon

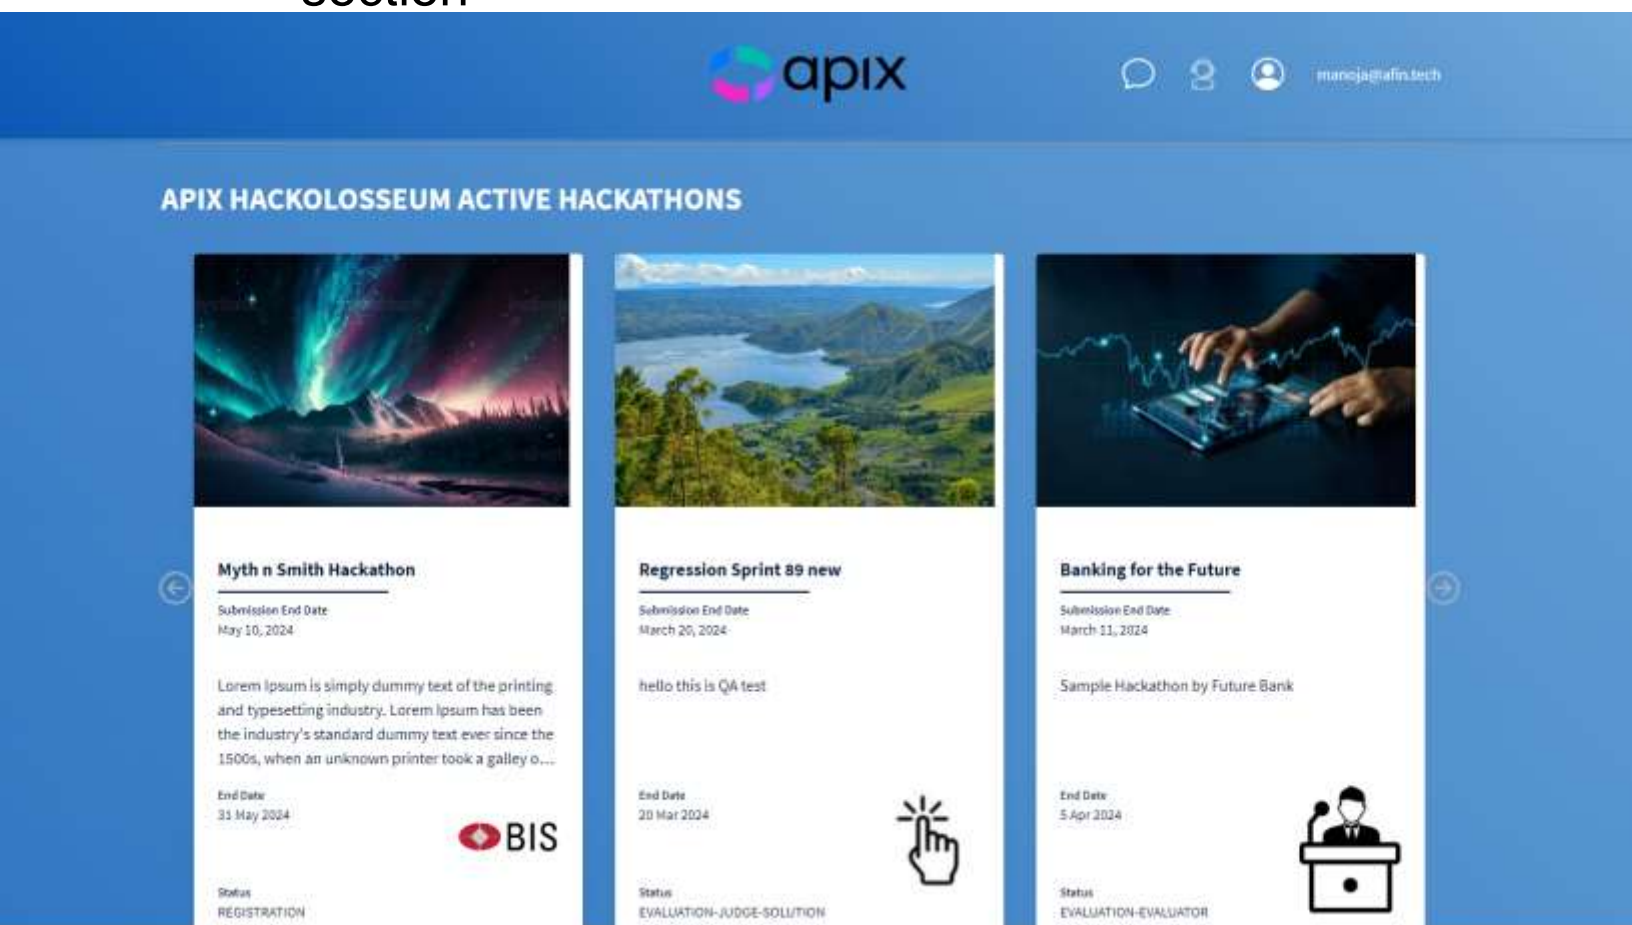

1. Accessing the hackathon from the hackolosseum page in the active hackathons list
2. Accessing the hackathon from the Org Participation screen in the New Hackathons table

There are 2 ways to access the Org Participation screen

1. Clicking on Org Participation option available under the hackathon & challenges menu in the Blue Navigation Bar
2. Clicking on Org Participation option under My Hackathon available in the user drop-down menu (man icon in the header)

2.1 Accessing the hackathon from hackolosseum screen

1. Click on Hackathon & Challenges on the Blue Navigation Bar
2. On the hackolosseum page, scroll to Active Hackathons section

The screenshot displays the 'APIX HACKOLOSSEUM ACTIVE HACKATHONS' section. It features three active hackathon cards, each with a header image, title, submission end date, description, end date, and status. The first card, 'Myth n Smith Hackathon', has a submission end date of May 10, 2024, and a status of 'REGISTRATION'. The second card, 'Regression Sprint 89 new', has a submission end date of March 20, 2024, and a status of 'EVALUATION-JUDGE-SOLUTION'. The third card, 'Banking for the Future', has a submission end date of March 11, 2024, and a status of 'EVALUATION-EVALUATOR'. The page also includes a blue navigation bar at the top with the APIX logo and user information, and a blue footer bar at the bottom.

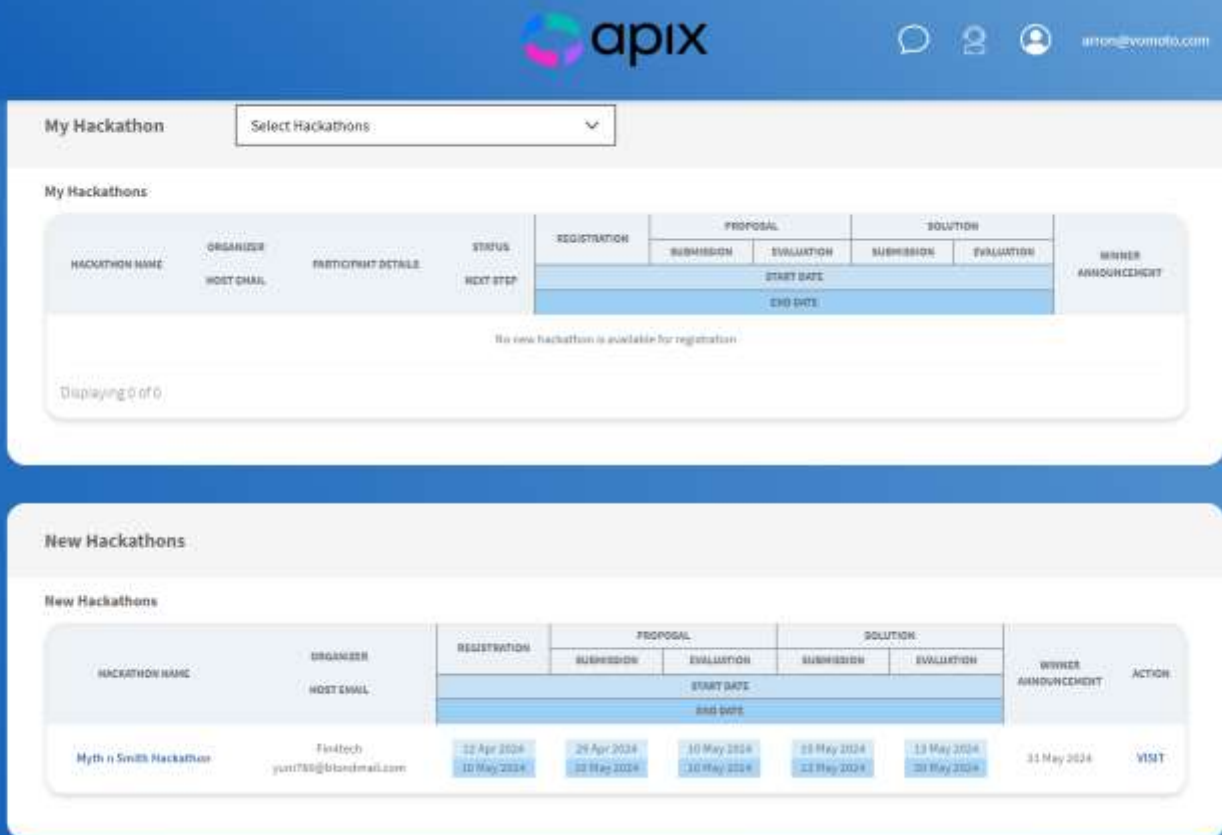

APIX HACKOLOSSEUM ACTIVE HACKATHONS

Hackathon Title	Submission End Date	Description	End Date	Status
Myth n Smith Hackathon	May 10, 2024	Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley o...	31 May 2024	REGISTRATION

2.2 Accessing hackathon from the Org Participation screen

Clicking on Org Participation, you will be displayed the screen having two tables

1. My Hackathons – Lists all the hackathons that you/ your organization has participated or registered for.
2. New Hackathons – Lists all the hackathons on the platform available for registration

The screenshot displays the Apix platform interface. At the top, there's a navigation bar with the Apix logo and user information. Below this, the 'My Hackathons' section is visible, featuring a dropdown menu to 'Select Hackathons'. The table below it has columns for Hackathon Name, Organizer, Participant Details, Status, Next Step, Registration, Proposal (Submission, Evaluation), Solution (Submission, Evaluation), Winner Announcement, and Action. A message states 'No new hackathon is available for registration' and 'Displaying 0 of 0'.

The 'New Hackathons' section is also visible, showing a table with columns for Hackathon Name, Organizer, Registration, Proposal, Solution, Winner Announcement, and Action. The table lists a hackathon named 'Myth n Smith Hackathon' organized by 'Fin4Tech' with contact email 'guni789@btindmail.com'. The registration period is from 22 Apr 2024 to 10 May 2024. The proposal submission period is from 29 Apr 2024 to 22 May 2024. The solution submission period is from 10 May 2024 to 11 May 2024. The evaluation period is from 13 May 2024 to 20 May 2024. The winner announcement is scheduled for 31 May 2024, and there is a 'VIEW' link in the Action column.

2.3 Hackathon Home Page

1. Scroll to the New Hackathons table on the Org Participation screen
2. Click on Visit or click on the hackathon name

3.0 Hackathon – Registration

When the hackathon started accepting Registrations, then the Register CTA will be available.

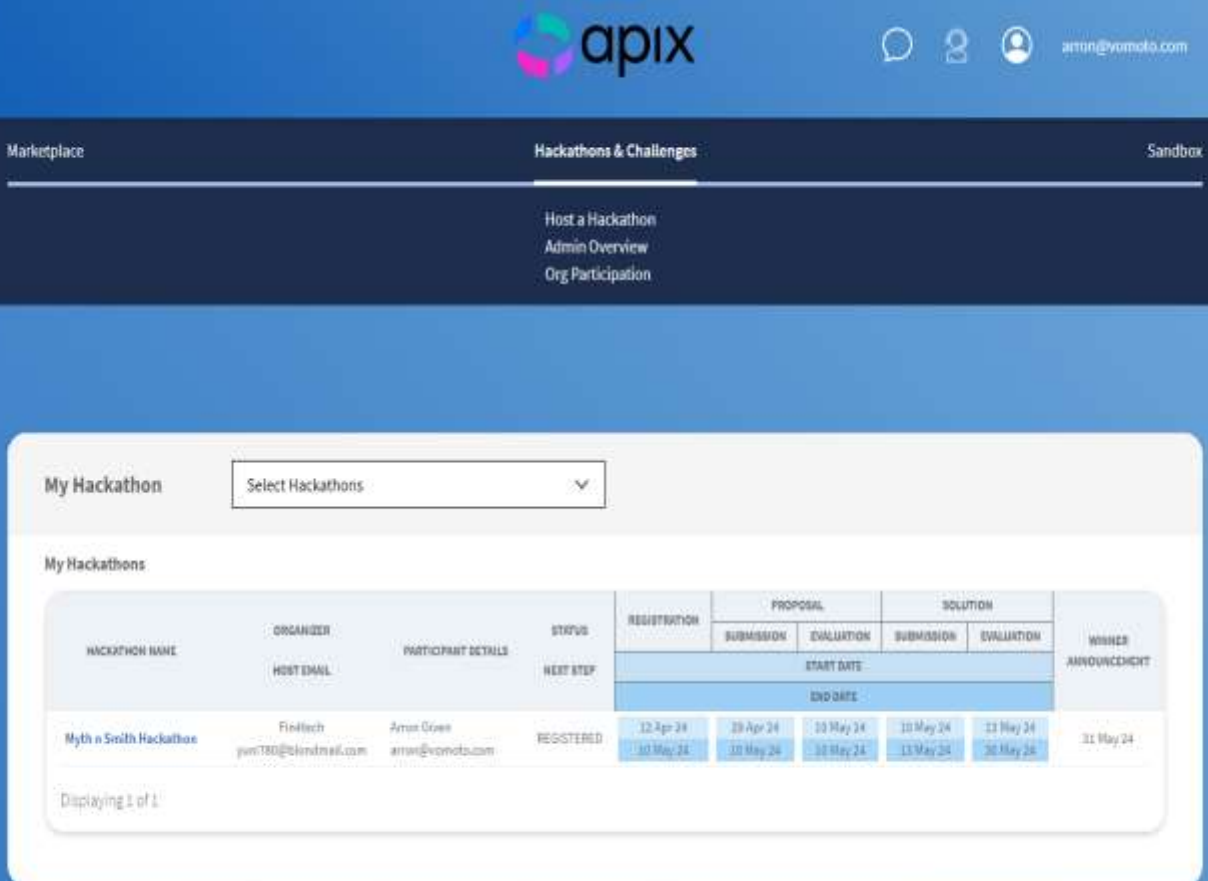

Click on Register CTA to Register for the hackathon

The screenshot shows the Apix website interface. At the top, there is a navigation bar with the Apix logo, a chat icon, a group icon, a user profile icon, and the email address amr@vomoto.com. Below the navigation bar, there are three main sections: Marketplace, Hackathons & Challenges, and Sandbox. The Hackathons & Challenges section is active, showing links for Host a Hackathon, Admin Overview, and Org Participation. Below this, there is a secondary navigation bar with links for About, Problem Statements, Prize, Eligibility, FAQ, and Contact us. The main content area features a banner for the "Myth n Smith Hackathon" with the tagline "Myth and the Smith is here". It includes a "SUBMIT PROPOSALS: May 10, 2024" deadline and a countdown timer showing 02 days, 04 hours, 00 minutes, and 12 seconds. A "Register" button with a right arrow is prominently displayed. At the bottom of the banner, the hashtag #mythnsmith is visible.

3.1 Org Participation – My Hackathon

Once you have registered for the hackathon, then on the Org Participation screen, the hackathon would appear in the My Hackathons table

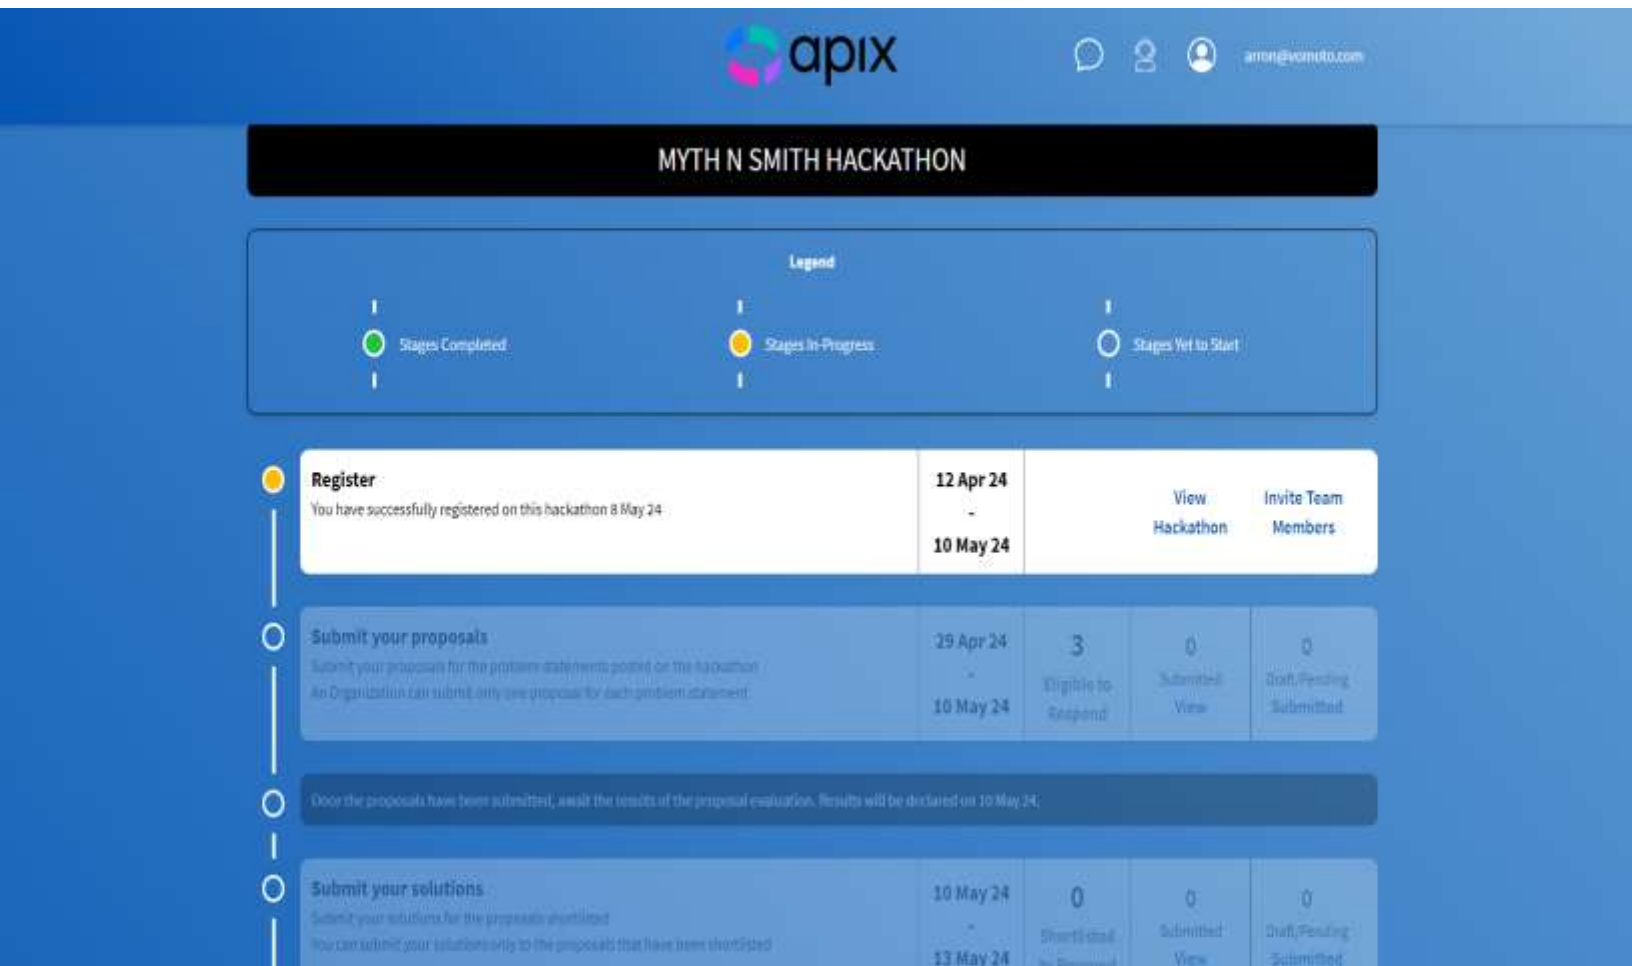

My Hackathon Select Hackathons

User is New to APIX

If the user/organization is new to APIX, then they first have to get themselves register.

User needs to Click on 'New to APIX- Register' CTA.

Once Clicked on New to APIX – Register, the user will be navigated to Create Account Page

The screenshot shows a 'Welcome to APIX!' registration form. It includes input fields for 'Work Email' and 'Password' (with a toggle icon). Below these is a 'Create Account' button. Underneath the button, it says 'or create account with SSO' followed by three icons: Google, Microsoft, and GitHub. At the bottom, a line of text states: 'By clicking the button above, you are agree our [Terms of Service](#) and [Privacy Policy](#)'.

On the Create account screen, enter the work email address and password and click on Create Account CTA.

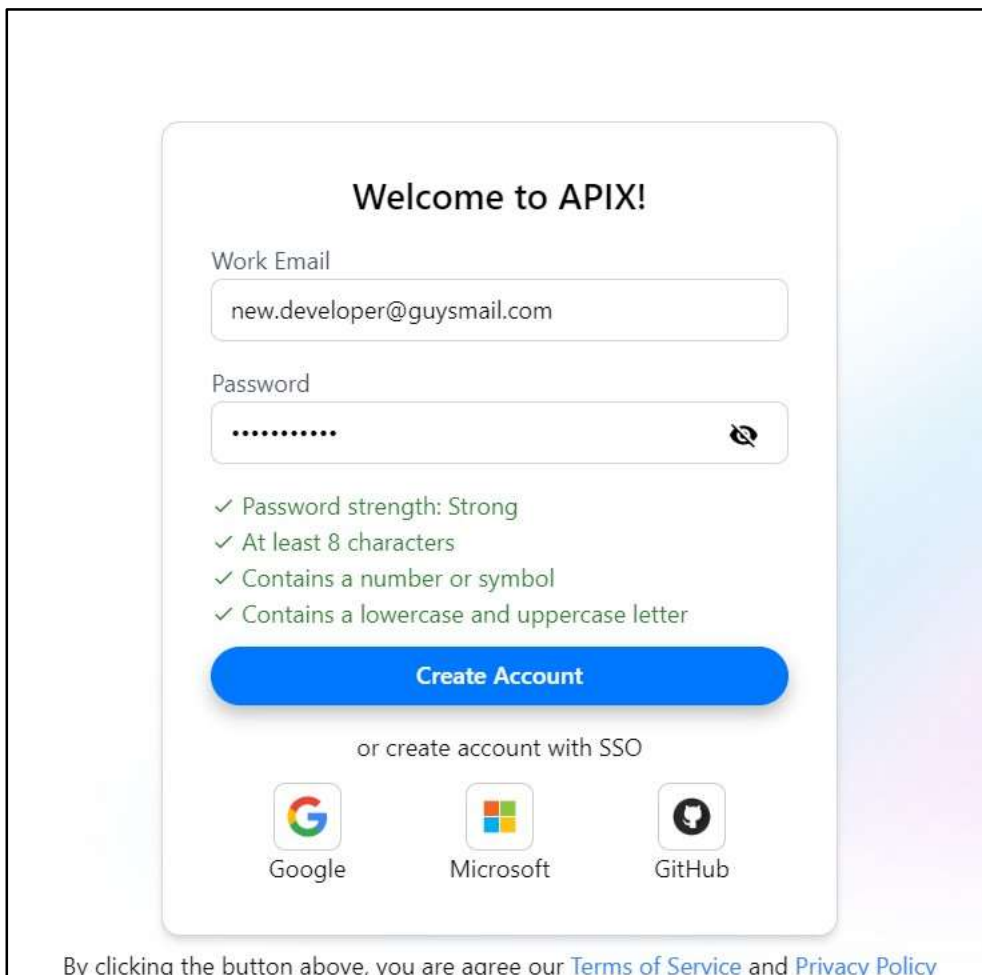

The Terms and Conditions and Privacy policy hyperlinks are available on the screen. Click on each link to read them before you create an account with APIX.

You can also create account with your Google, Microsoft or GitHub accounts other than using the email and password.

The password entered should satisfy the following conditions

1. Should be at least 8 characters long
2. Should contain a lowercase and an uppercase letter
3. Should contain a symbol
4. Should contain a number

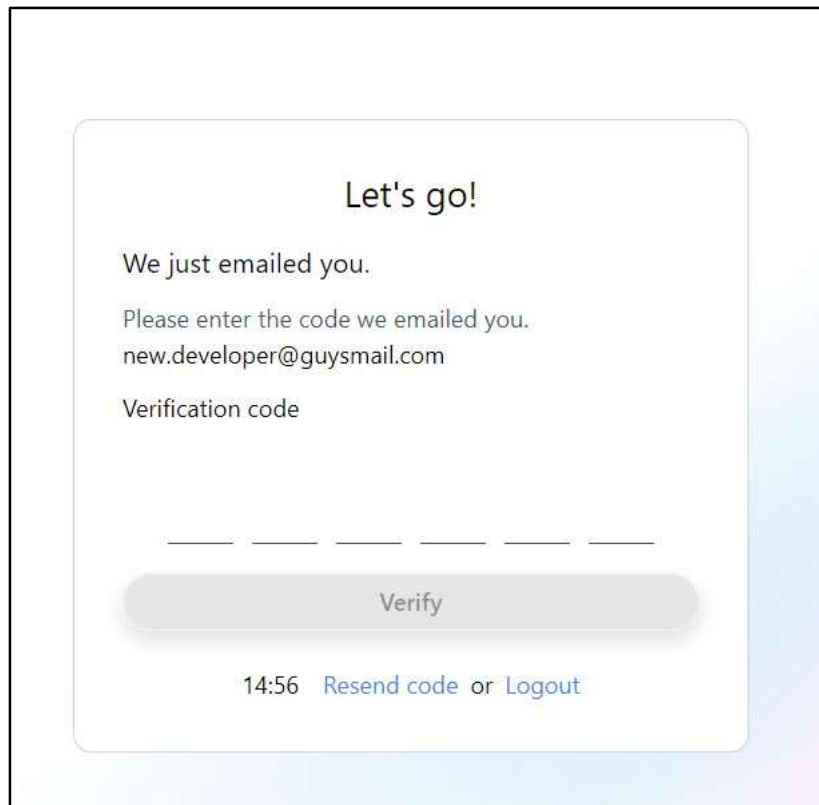

Enter the password satisfying all the conditions and click on Create Account CTA.

The screenshot shows a 'Welcome to APIX!' registration form. It includes a 'Work Email' field with the text 'new.developer@guysmail.com' and a 'Password' field with masked characters and a toggle icon. Below the password field, four green checkmarks confirm the password strength: 'Strong', 'At least 8 characters', 'Contains a number or symbol', and 'Contains a lowercase and uppercase letter'. A prominent blue 'Create Account' button is centered below these checks. Underneath the button, the text 'or create account with SSO' is displayed, followed by three social login options: Google, Microsoft, and GitHub, each with its respective logo. At the bottom of the form, a footer line states: 'By clicking the button above, you are agree our [Terms of Service](#) and [Privacy Policy](#)'.

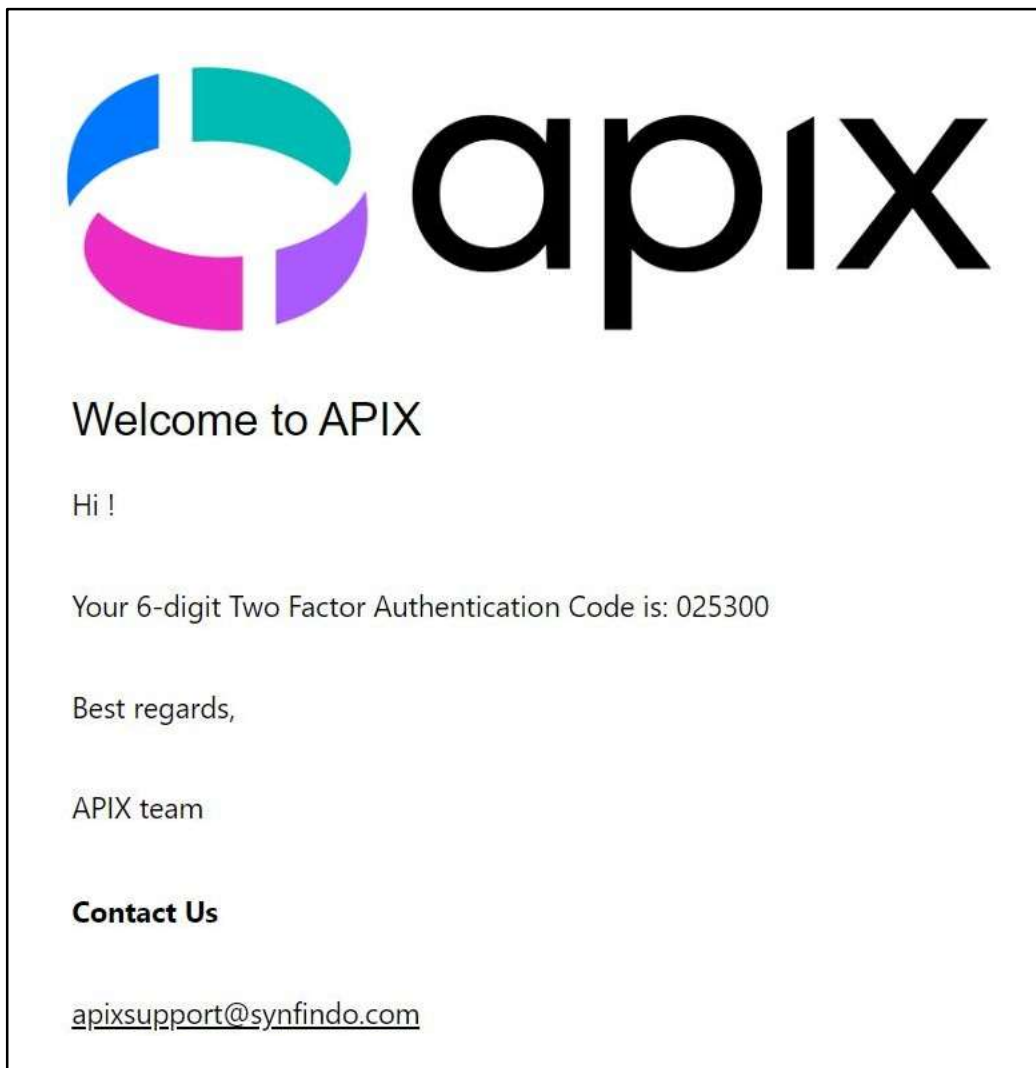

Verification screen

On clicking on Create Account, you will be displayed with the Verification screen, where you will be prompted to enter the verification code sent to your email

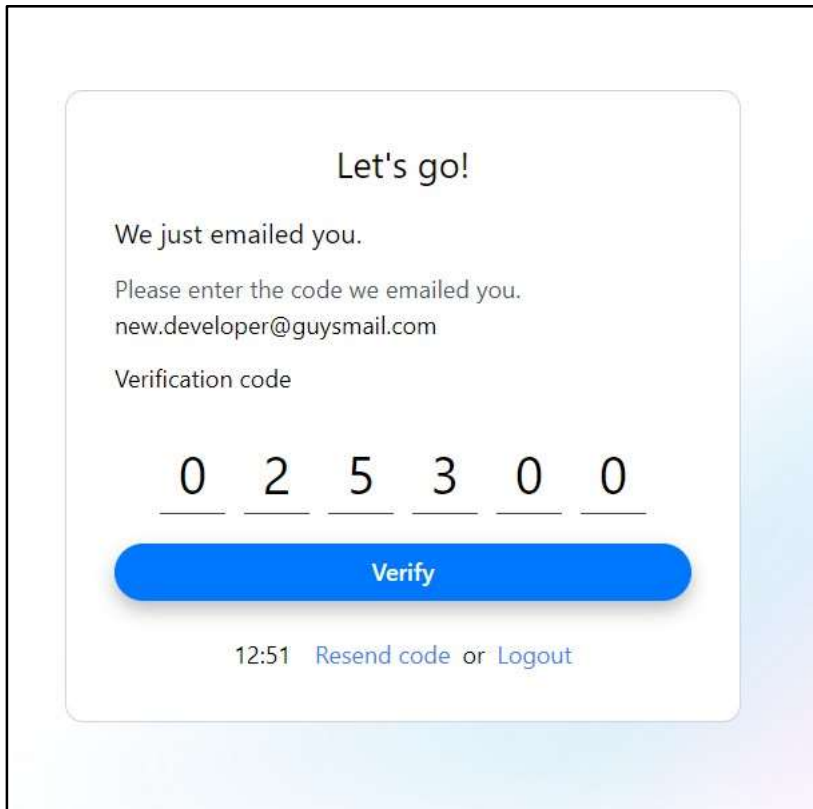

Check your work email entered for the verification code in the inbox. If the code is not available in the inbox, please check your Spam folder.

A 6 digit verification code will be sent from the email address auth@verify.apixplatform.com to your work email entered.

The code received is valid for 15 minutes.

Enter the 6 digit code on the verification screen and click on Verify.

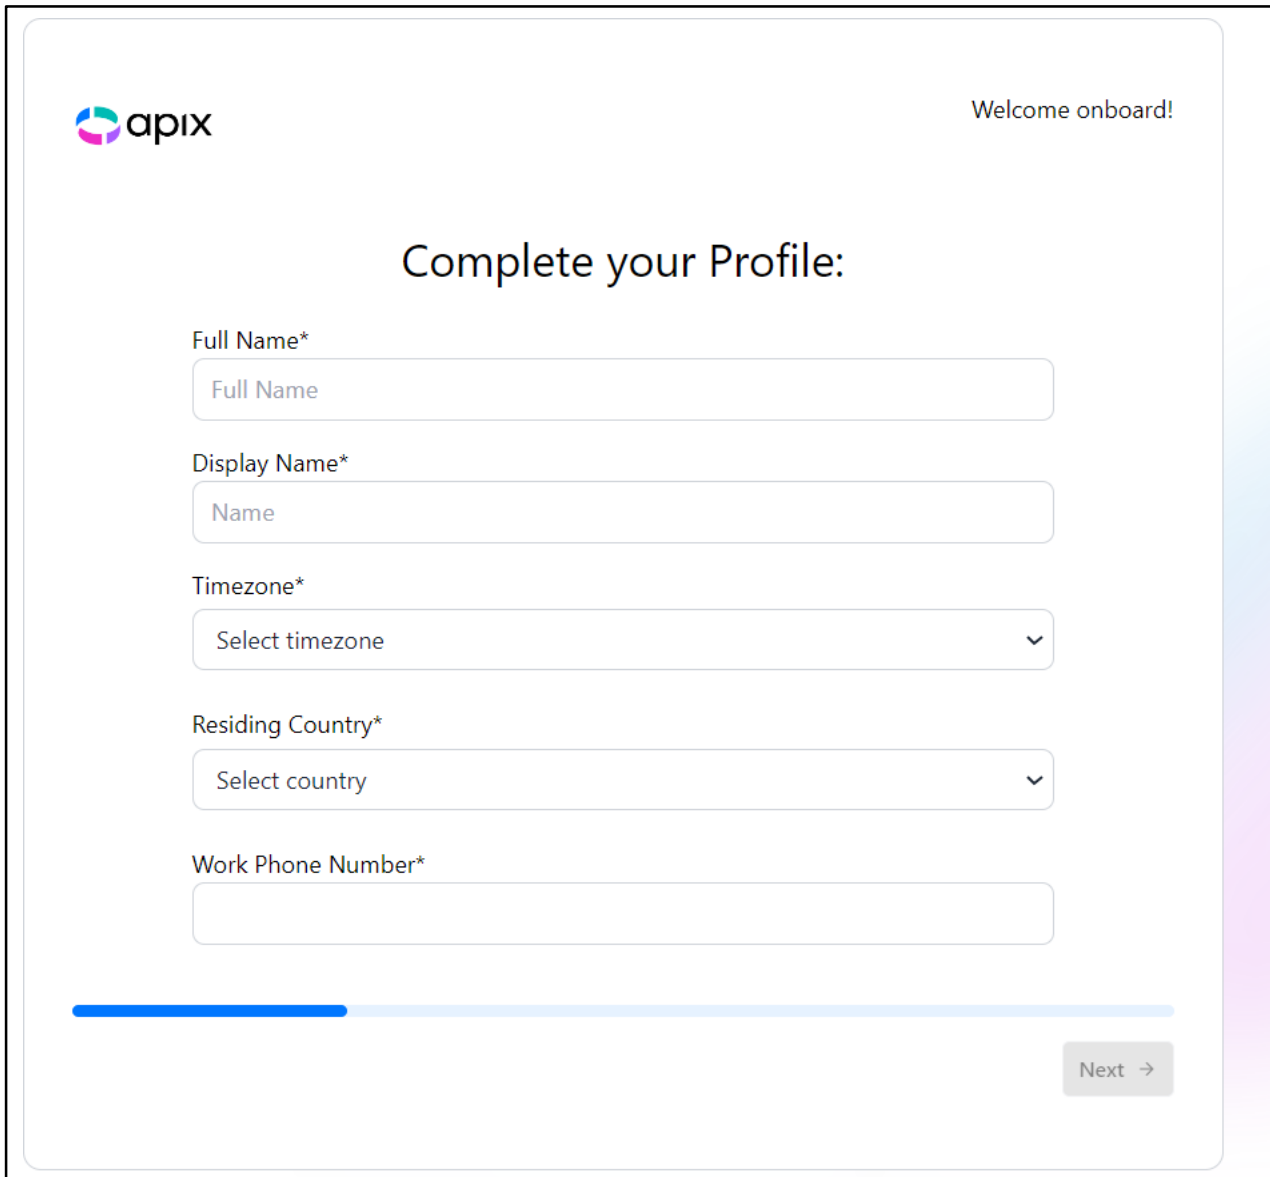

A mockup of a verification screen. It features a light blue background with a white rounded rectangle in the center. Inside the rectangle, the text "Let's go!" is at the top. Below it, "We just emailed you." is followed by "Please enter the code we emailed you." and the email address "new.developer@guysmail.com". A label "Verification code" is positioned above a row of six input fields containing the digits "0", "2", "5", "3", "0", and "0". Below the digits is a blue rounded button labeled "Verify". At the bottom of the white rectangle, the time "12:51" is shown next to the links "Resend code" and "Logout".

Clicking on Resend code, will send the verification code again to your work email entered and clicking on Logout, will log you out of the session.

You can continue from the verification later on logging in with the valid email address and password.

6. Complete Profile Screen

On verifying the email by entering the OTP, you will be navigated to the Complete your profile screen.

apix Welcome onboard!

Complete your Profile:

← Back Next →

Click on Next.

8. Join your Organization

On the Join your Organization, click on Create New Organization CTA to register a new organization.

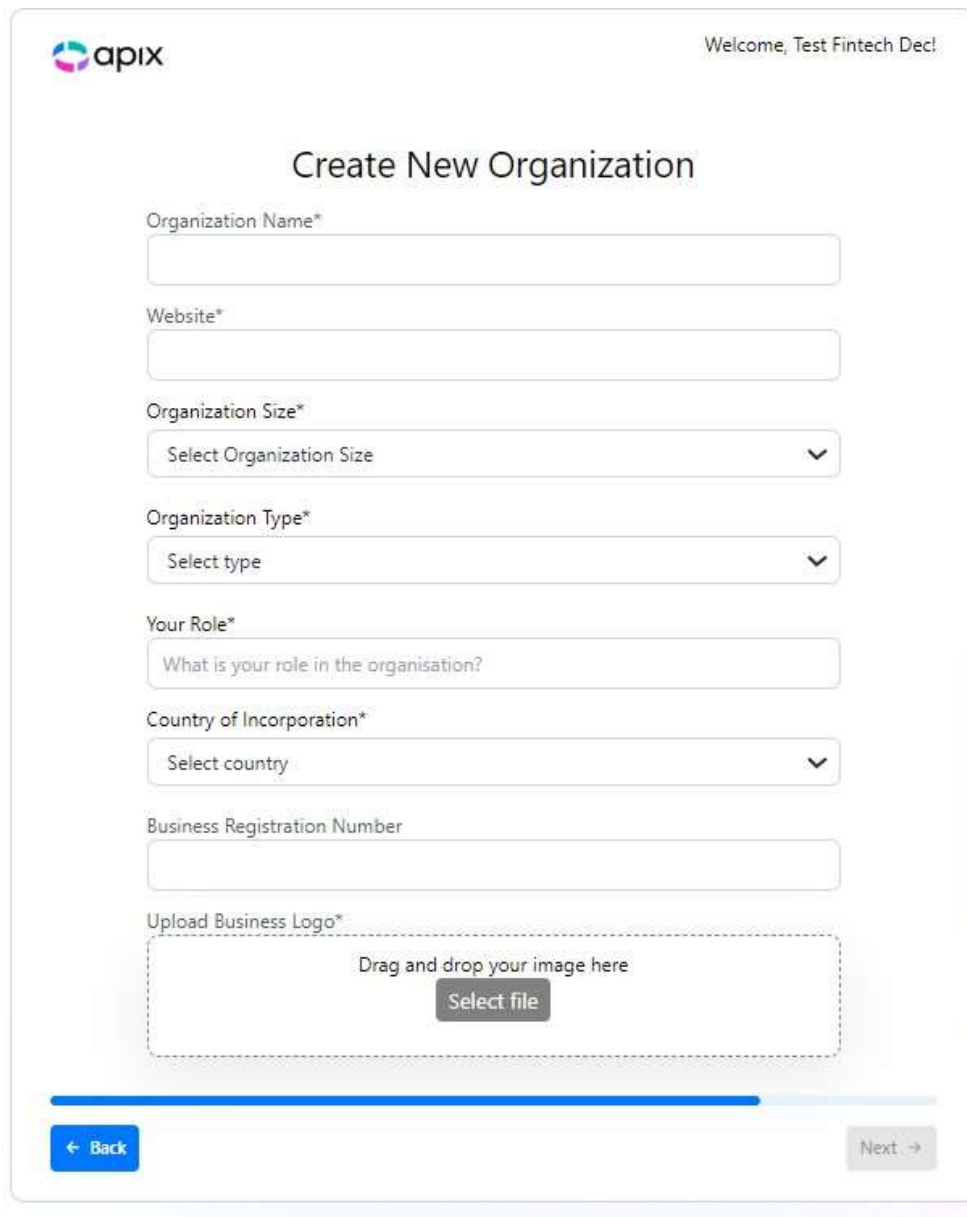

The screenshot shows the 'Join Your Organization' page in the Apix interface. At the top left is the Apix logo, and at the top right is the text 'Welcome, Test Fintech Dec!'. The main heading is 'Join Your Organization'. Below it is a text input field labeled 'Organization'. Under the input field, there is a link that says 'Can't find your organization? Create new organization', where 'Create new organization' is highlighted with a red rectangular box. At the bottom of the form, there is a blue progress bar that is approximately 50% full. Below the progress bar are two buttons: a blue '← Back' button on the left and a grey 'Next →' button on the right.

9. Create New Organization

On clicking on Create New Organization CTA, you will be displayed with the Create New Organization screen.

Enter the Organization Name, Website, Organization type, Your Role, Country of Incorporation and Logo.

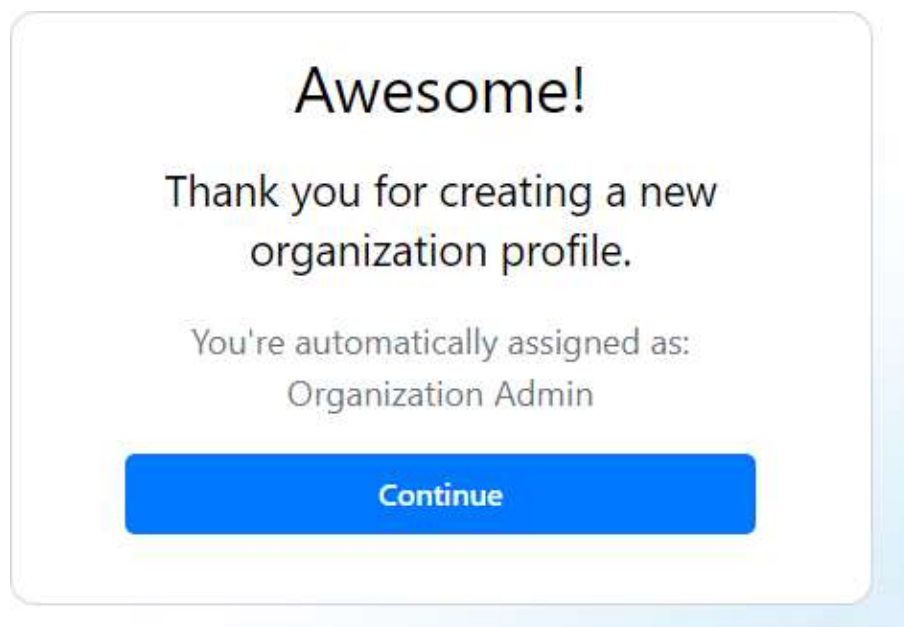

The image shows a web form titled "Create New Organization" within a user interface. At the top left is the "apix" logo, and at the top right is a greeting "Welcome, Test Fintech Dec!". The form contains several input fields: "Organization Name*", "Website*", "Organization Size*" (a dropdown menu with "Select Organization Size"), "Organization Type*" (a dropdown menu with "Select type"), "Your Role*" (with placeholder text "What is your role in the organisation?"), "Country of Incorporation*" (a dropdown menu with "Select country"), "Business Registration Number", and "Upload Business Logo*" (a dashed box with the text "Drag and drop your image here" and a "Select file" button). At the bottom of the form, there is a blue "Back" button with a left arrow and a grey "Next" button with a right arrow, separated by a horizontal progress bar.

Click on Next.

On entering all the required details on Create New Organization screen and click on Next.

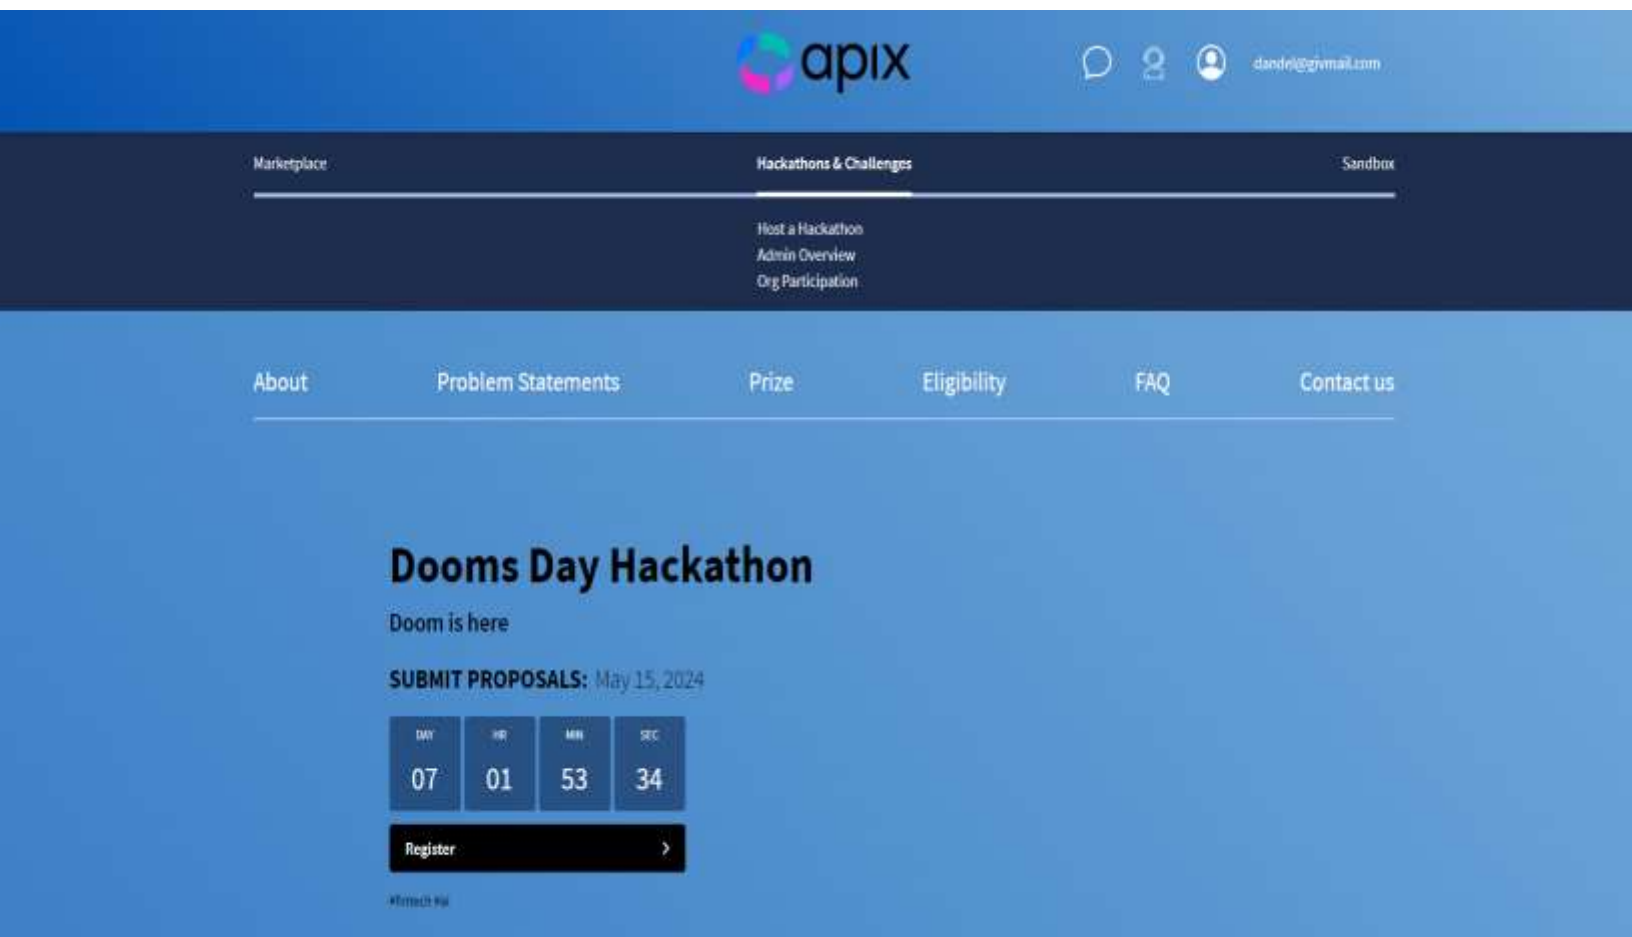

The Organization profile is created and you will be displayed the below screen

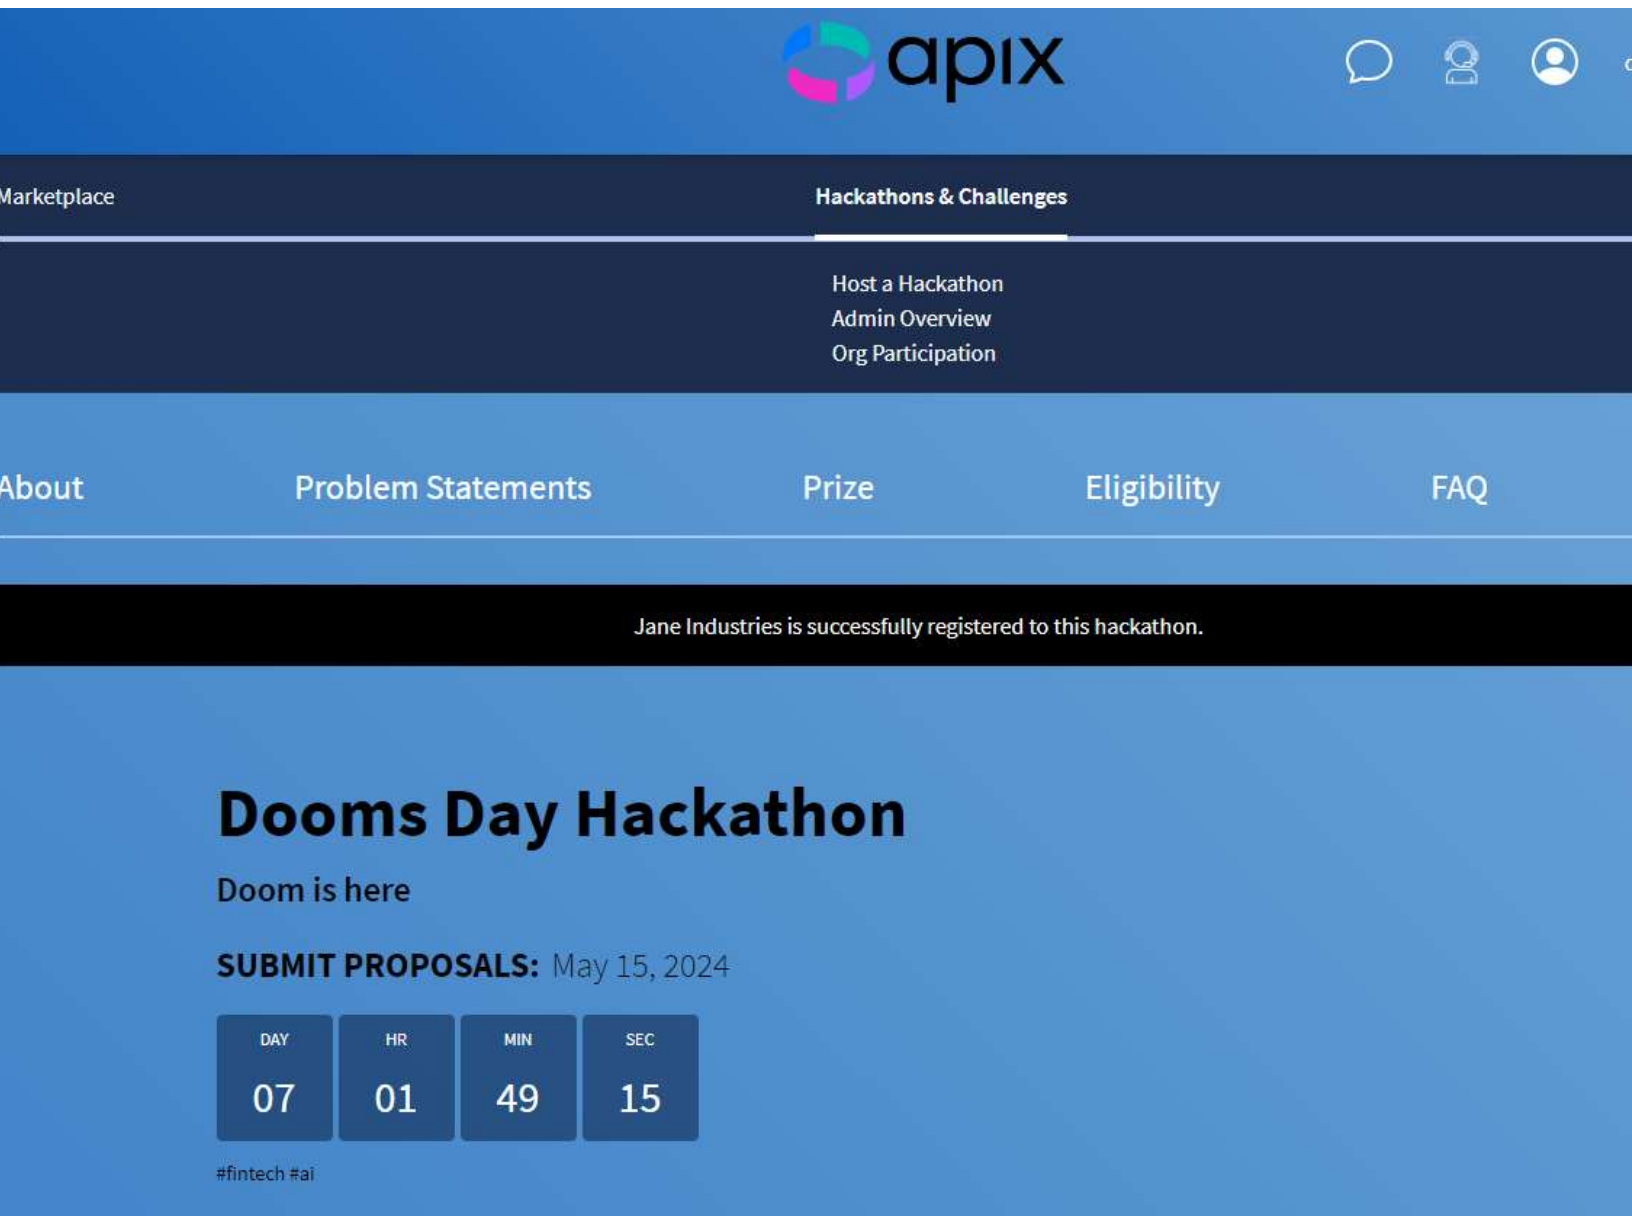

You will be automatically assigned the Org Admin role.

On the message displayed, click on Continue.

Once Account has been created, user would directly land into Hackathon Page, where they can register for the hackathon by clicking Register CTA

Once clicked on Register CTA, the Registration would be complete.

The screenshot shows the Apix website interface for the Dooms Day Hackathon. The header features the Apix logo and navigation icons. The main navigation bar includes links for Marketplace, Hackathons & Challenges (active), About, Problem Statements, Prize, Eligibility, and FAQ. Under Hackathons & Challenges, there are links for Host a Hackathon, Admin Overview, and Org Participation. A notification bar states: "Jane Industries is successfully registered to this hackathon." The main content area features the title "Dooms Day Hackathon" with the tagline "Doom is here". Below this, it says "SUBMIT PROPOSALS: May 15, 2024" and displays a countdown timer showing 07 days, 01 hour, 49 minutes, and 15 seconds. The page concludes with the hashtags #fintech and #ai.
